The Canyon News

VOLUME NUMBER XXXV. CANYON, TEXAS, THURSDAY, SEPTEMBER 10, 1931. NUMBER 25

LIBRARY FROM MADRIGAL CLUB GIVEN COLLEGE

SENT FROM CHICAGO FOR THE OPENING OF COLLEGE.

Collection of 40,000 Copies Famous Compositions—Madrigal Club Headed by Clark.

The library of the Chicago Madrigal Club is to become the property of the West Texas State Teachers College, and will be delivered to Canyon early this fall, according to an announcement made this week by President J. A. Hill and Wallace R. Clark, head of the department of Music.

This library of Madrigal music is probably the largest in the United States, and bringing it to Canyon will make it available for use in the organization of the college and thereby acquaint people over the entire state with a type of music which is not at present well known.

The Chicago Madrigal Club from which the collection of about 40,000 copies of music comes, was organized in 1900, and functioned under the leadership of D. A. Clippinger for thirty-one seasons. During that time the Club gave 197 concerts, many of the later ones being given by radio.

The Club had two purposes, first to acquaint the public and especially singers, with the old madrigal literature, and second, to stimulate American composers to the writing of madrigals. At the time the club was organized there were no American Madrigals. For twenty years, this club working with the Kimball Piano company, offered a prize of $100 for the best setting in Madrigal form for a chosen lyrical poem. All of the prize winning compositions are included in the library which is to be in Canyon.

Madrigal music, which is not widely known or understood, is a form arranged with from three to eight parts, and usually sung without accompaniment. Poems which are adapted to madrigal singing are lyrical in form and content and deal with themes which are universal.

Madrigals had their origin in Italy and Germany, but are of particular interest to people of America because the form was so highly developed by English speaking people in the time of Queen

Boone Lacewell is Busy for Summer as Can Opener Vendor

Boone Lacewell, 22 year old college student, has never discovered that there is a depression. At present he is selling can openers, and during a summer when housewives have been especially unfriendly to those having wares to sell, he sold 80 in almost record time.

Lacewell is slightly crippled, but not in spirit. He graduated from the Tulia High school in 1927 and ten days later was enrolled at the West Texas State Teachers College and working a large part of his way.

He sold papers, and his cherrie call became familiar to everybody in Canyon and made him scores of friends who did not know his name. He sold candy, gum, popcorn and peanuts at games. He worked for the churches and took part in their services. He fell in love, married, and he and his wife have taught two successful years and are now back in college. He is a junior and expects to sell enough can openers, papers, insurance and whatever else offers a chance to enable them to remain in school a year. If times are hard it just means a little earlier dawn and a little later evenings of work for Lacewell. It does not mean he will lose his educational opportunities; he will make them instead. He is the son of W. W. Lacewell of Tulia.

ARTICLE PUBLISHED BY DR. F. M. DARNALL

An article by Dr. F. M. Darnall, head of the English department of the West Texas State Teachers College appeared in the July issue of The Journal of English and Germanic Philology which is published quarterly by the University of Illinois. Dr. Darnall's subject is "Swift's Religion."

Dr. Darnall became head of the English department of the Canyon College this summer, coming from a similar position at Texas Woman's College. He is a graduate of the University of Leipsig.

Elmer Oberst, Jr., left Saturday for Iowa City, Iowa, where he will attend school this coming year. He is the son of Mr. and Mrs. E. A. Oberst of Canyon.

CLINT SMALL NEXT GOVERNOR OF TEXAS

"West Texas will furnish the man to sit in the Governor's chair at Austin succeeding Ross S. Sterling, when Sterling retires from that office," is the prediction of Murrell L. Buckner, Democratic chairman of Dallas County. Mr. Buckner made this statement while attending a barbecue held Monday at the Goodnight ranch in Armstrong county. "This man," he asserted, "is none other than Senator Clint C. Small." Senator Small and his family recently moved from Wellington to Amarillo.

The Dallas man was high in his praise of the Panhandle State Senator. He declared that Small would be elected to succeed Sterling as the next Governor. The popular candidate from West Texas last year is gaining in popularity in all sections of Texas, Buckner believes.

Rotary Governor Visited Canyon Club Tuesday Eve.

Dr. Tom D. Brooks of Waco, Governor of the 41st District of Rotary, visited the Canyon Rotary Club Tuesday night, the noon luncheon having been postponed until 7:30.

Governor Brooks spoke very interestingly of his trip to Rotary International held in Vienna. Europe is looking to Rotary as the only agency at work to promote peace, and the only organization which will remove the fear of war. The speaker described Europe in a feverish state of fear, one nation of the other. A great program of fortification is under way, nations seeking to protect themselves against other nations in time of war. If this high tension of fear is not relieved, there will be another general war in Europe before 1935, is the prediction of all leading citizens. They laud the fellowship of Rotary, and trust that its mission of international peace will finally win in Europe.

The governor gave a vivid picture of the great convention, and the splendid spirit of friendship and goodwill which existed.

Rotary in America is being needed now more than at any other time. The goodwill offered by Rotary will cheer many a business man struggling with difficulties at the present time. New community problems are confronting citizens. Rotary leads in all community developments.

Visitors were: Mr. and Mrs. H. C. Pipkin, Mr. and Mrs. Chas. A. Wolfin, Fred Brien, R. A. Ford and R. E. Wertz, all of Amarillo; Ray V. Davis, Levi Cole, Mrs. Elizabeth Chandler, Mrs. Bert Newlin, Mrs. T. C. Thompson, Mrs. W. D. Pike, Mrs. Travis Shaw, Mrs. Earl Robbins, Mrs. J. A. Hill, all of Canyon; Mrs. T. D. Brooks of Waco.

The birthdays of Dr. D. M. Stewart and Tom Knighton were recognized by the Club.

Canyon Golfers Win in Panhandle Open Held at Amarillo

L. T. Davault and Landon Donnell of this city placed in the Panhandle Open golf tournament held in Amarillo Sunday and Monday.

Davault won first place in the 5th flight. Sunday was a bad day for him on the first 36 holes, with a score of 200. He clipped 34 strokes from this on Monday, taking first place and winning a four piece silver tea set.

Donnell was third place in the 4th flight, and was given a set of Hagen wood clubs.

Jimmie Gamewell, ace of the Canyon golfers, entered the first flight against the stars of West Texas and placed 6th. He was nosed out of the prizes when his competitor for 5th place holed out a 150 yard shot on the last green.

Magazine Features Canyon and College Scenes in Issue

The September issue of the Texas Outlook, official publication of the Texas State Teachers Association, featured a scene in the Palo Duro for its cover. The photograph was taken by Ray V. Davis.

Other pictures on the inside of the magazine were pictures of the College, the T-Anchor Ranch which now belongs to the College, and the dairy barns, located on the ranch.

Do your shopping in Canyon.

IMPROVEMENTS BEING STARTED AT THE COLLEGE

PAVING AND AUDITORIUM WORK IS NOW UNDERWAY.

Several Thousand Dollars to be Spent in Improvements During the Vacation Period.

Repairs and improvements to considerable extent are underway at the College, most of the work to be accomplished during the vacation period.

When the students return for the opening of school, they will be delighted to find the auditorium completely redecorated. The contract has been let to Frank Little of Amarillo for the new curtain, to install corrections of the acoustics, put new hardwood floor on the stage, install new footlights for the stage, repaint and decorate the room, repair the windows and likely put linoleum on the aisles.

C. N. Harrison was awarded the contract for the paving. The new paving will connect the city's paving east of Cousins Hall, running west through the campus to the paving west of the education building and connect with both ends of the pavement at the east and west entrance of the administration building.

W. H. Hayman of Amarillo was awarded the contract for the installation of an additional boiler in the heating plant.

A new trench silo has been completed on the dairy farm north of the city.

Other general repairs are being made on the college plant, in accordance with the appropriations bill passed by the regular session of the legislature.

J. A. Scrutchins Died Suddenly on Friday Evening

J. A. Scrutchins, aged 76, died Friday night at 10 o'clock at the Palace Hotel as a result of heart failure. While not in good health for some time, he had been about the hotel all day Friday and walked to his room to retire. He dropped dead without warning.

The funeral services were held Saturday afternoon at 3:00 o'clock at the Methodist church, conducted by Rev. C. G. Howard, pastor of the Baptist church.

He is survived by his wife; one daughter, Mrs. O. M. Shore of Amarillo; two sons, W. C. Scrutchins of San Antonio and Paul Scrutchins of Houston; one brother, Sam Scrutchins of Albany, Ga.; one sister, Mrs. Lelia Watson of Atlanta, Ga.

Mrs. J. A. Scrutchins left Monday for Houston and San Antonio, accompanying her sons, W. B. and Paul Scrutchins. She will make an extended visit.

Mrs. Sue Donald and daughter have returned from a visit at Justice, Austin, and San Antonio.

Schools of County Open Year's Work On Last Monday

The schools in the common school districts of Randall county opened Monday. No reports have been received on attendance so far at the office of County Judge S. B. Orton.

The following are the teachers for the various schools:

No. 1, Mrs. H. A. Grounds.
No. 2, Mrs. Vincent Shuman.
No. 4, All pupils transferred to the Canyon Independent School.
No. 5, Miss Mary Watson.
No. 6, Miss Pauline Till.
No. 8, Mrs. W. C. Fewell.
No. 9, Mr. and Mrs. Rex Roby.
No 10, Mrs. John Evans and Mrs. Dollie Pinson.
No. 11, Sisters Ignatius Price and Sister Nella Price.
No. 12, Miss Montie Rockwell.
No. 13, Mrs. Lena Dungan.
No. 17, Miss Keith Donnell.
No. 19, Miss Claudia Neelley.
No. 20, Mr. and Mrs. E. D. Wilmuth.
No. 22, Mrs. Ed Weeks.
No. 23, All pupils transferred to Sunny Hill.
No. 24, Miss Bertie Hastings.
No. 25, Mr. and Mrs. Virgil Dodson.
No. 26, Miss Laura Wade.

New Teacher Named By President Hill For the College

Charles C. Edmondson, Jr., of Clayton, New Mexico and Norman, Oklahoma, has been chosen by President J. A. Hill of the West Texas State Teachers College to teach mathematics and coach boys' athletics in the high school department of the College Training School.

Mr. Edmondson has for two years been assistant in the mathematics department of Oklahoma University and received his B. S. and M. A. degrees from that institution. He is a member of Phi Beta Kappa and was a letter man in track.

He will begin his duties with the opening of college September 23.

Mr. Edmondson is married. He is a member of the Presbyterian Church.

CELEBRATED HER 90th BIRTHDAY AUGUST 20th.

Mrs. S. E. Williams celebrated her 90th birthday on the 20th of August. Her daughters, Mrs. J. S. Pool and Mrs. A. T. Smith, held a family reunion at the J. S. Pool home, with many friends of the family present.

Mrs. Williams is hale and hearty and enjoying wonderful health for one of her age.

James Cole returned Wednesday from New Mexico where he has been vacationing the past week.

Mr. and Mrs. M. L. Gilfillian of Lubbock were visitors in Canyon Wednesday.

W. I. Gamewell returned Sunday from a business trip to Austin.

26 BUFFALOES REPORT DAILY FOR TRAINING

FIRST GAME HERE NIGHT OF SEPTEMBER 18th.

Plenty of Backfield Material, Says Big Coach, But Few Heavies Out for the Line.

Candidates for the Buffalo football team settled down in earnest Monday for a hard, intensive training period. The hot weather has been a handicap, but the first three days have pleased the coaching staff as the prospects of a strong team for this year.

Coach S. D. Burton states that he has 26 eligible men now in uniform, including 8 letter men, one or two more may report before the opening of school. Burton is being assisted by Cleatice Crump and Mitchell Jones, both of whom have been prominently connected with athletics of W. T. for a number of years.

While the season is yet too early to make predictions, Coach Burton stated last night that indications were that here was plenty of back field material, and that it would be one of the best ever developed in the college. He is lacking in linesmen. His linesmen are good, according to the Coach, but he lacks reserve material. One or two injuries would be disasterous.

The candidates are working twice daily, 9:00 in the morning and 3:00 in the afternoon.

A few freshmen are here working with the first string men, but the call was not made for freshmen to report for traininig until next Friday, Sept. 18th. Coach Burton

(Continued on last page.)

Number of Canyon People Attend the Goodnight Rally

About 200 Panhandle citizens attended the barbecue Monday at the Goodnight ranch when steps were made to form an organization to buy the ranch which was the former property of the late Col. Chas. Goodnight. The legislature authorized the Game, Fish and Oyster department to buy the buffalo when adequate land had been furnished free to the state.

Dr. J. A. Hill made a talk in which he praised the pioneers of West Texas and told of the work being done to erect the museum dedicated to the pioneers.

Those attending from Canyon were: Dr. J. A. Hill and daughter, Miriam, Mr. and Mrs. Travis Shaw, L. F. Sheffy, Ray V. Davis, Fred E. Wortham, L. N. George and son.

Mr. and Mrs. T. E. Allen of Pampa visited in the parental C. O. Cooper home here Monday and Tuesday.

Mrs. Edward Bowen of Lubbock is visiting this week in the homes of her brother, Levi Cole, and her aunt, Mrs. J. T. Burnett.

Named Candidate

DR. J. A. HILL

Who was announced as a candidate for the State Teachers Association, and endorsed by the West Texas Teachers Institute, 1,000 strong.

Hawk Visions Fair as Among Nation's Best

Visions of its leaders, faith of the Panhandle-Plains pioneers, and hard work on the part of its backers today were given credit for the unprecedented strides made by the Tri-State Exposition since its birth less than ten years ago, by Wilbur C. Hawk president of the association.

Mr. Hawk became the head of the fair board in 1927.

"A few years from now, citizens who have moved away and returned to the plains—as they always do—will find the Tri-State Exposition occupying a position with and competing with the leading state fairs of the country," Mr. Hawk said.

"There is a certain determination, a civic pride and an unconquerable desire to accomplish things here in the Panhandle that is unmatched anywhere else in the United States," declared Mr. Hawk, in placing the credit for the progress of the Tri-State Fair where he believes it belongs.

"That same spirit that conquered the old west and made of it a modern civilization of progressive homes, schools, churches, and industry is evident; in the actions of the fair's workers, and only a catastrophe can call a halt."

The Tri-State Fair this year will be held from September 21 to 26, inclusive, and its now famous free gate will be wide open.

More than $15,000 in cash prizes is being offered, and early entries indicate that, despite economic conditions, the 1931 fair will surpass all of its predecessors.

Mr. Hawk believes the attractions this year will eclipse all previous attempts at entertainment, which together with competition between towns and bands for attendance and atention at the fair will help to set up another attendance record.

Large Increase Is Shown Attendance At Public Schools

Supt. Irby Carruth states that the enrollment in the public schools amounted to more than 700 on Tuesday, showing a substantial increase over last year's enrollment.

The check has not been completed, but the high school will show approximately a 20% increase over last year, with more than 250 enrolled. The elementary school had nearly 450 enrolled the first day, showing an increase of 12% over last year.

Mr. Carruth expressed great satisfaction over the work as it has started.

Tulia Won From Canyon Golfers In Sunday Game

Handicapped with the loss of Gamewell, Sone and Weatherby, the Canyon golf team was defeated Sunday at Tulia, 2 to 10. Bad golf weather had a great deal to do with the defeat of the team.

Canyon's team now is tied with Tulia for second place in the Wheat Belt tournament. The Canyon team has finished its games. Tulia will play Plainview Sunday, and if Plainview wins, that club will be the champions of the tournament with Canyon second and Tulia third. If Tulia wins, that club will go into second place and Canyon third.

HILL NAMED AS CANDIDATE FOR TEACHERS HEAD

INSTITUTE ONE OF THE BEST HELD HERE.

1,000 Teachers Will Support J. A. Hill at Amarillo State Meeting—Meet Here Next Year.

Closing the biggest institute in the history of the organization, the West Texas Teachers unanimously endorsed Dr. J. A. Hill as a candidate for president of the Texas State Teachers Associaton, and will work for his election when the state organization meets in Amarillo in November.

The institute opened Thursday morning and continued until Saturday noon, under the direction of F. E. Savage. W. E. Lockhart, treasurer, reported that the finances of the organization was in good shape.

The outstanding speakers on the program were Josh Lee of Oklahoma University, Dr. A. L. Crabb of Peabody, Dr. J. L. Henderson of the University of Texas, Mrs. Cora Martin of the University of Texas, Miss Gene Alvord, primary teacher in the Dallas city schools and Dr. J. A. Hill.

A trip was planned to the Palo Duro canyon by the Canyon Chamber of Commerce for Friday afternoon and a watermelon feed was served.

The following resolutions were adopted:

1. That we endorse the continuation of the Consolidated Institute, and that we believe this institute to be the best ever held at the West Texas State Teachers College.

2. That we approve the movement to make Panhandle Teachers membership in the Texas State Teachers Association one hundred per cent for the coming year.

3. That we endorse the branch of the Texas State Teachers Association, known as the "Northwest Texas Teachers Association" which is to meet in Pampa in the spring.

4. That we, as a body of Panhandle teachers, offer our services to Superintendent McIntosh in his efforts to make the State Teachers Association meeting at Amarillo the best that has ever been held in Texas.

5. That we express our appreciation to Mr. F. E. Savage, Con-

Eagles to Play First Night Game With Panhandle Hi

The first night game of football played between two Texas Panhandle high school grid teams will be played on the field of Buffalo Stadium on the campus of the West Texas State Teachers College on the night of September 19, when the Panhandle Panthers and Canyon Eagles meet in a high school conference game.

With the first game of the 1931 football scheduled for Friday the Canyon High School Eagles are being sent through the paces in fast fashion this week by Coach Edgar Brady. Saturday marked the conclusion of the second week of rigid training and the youngsters of Brady's team were apparently in good condition.

On September 11, the Eagles will travel to Borger for the first encounter of the season where they will meet the heavier Borger Bulldogs, big favorites to take the lighter Eagles to a trimming. Brady is faced with the difficulty of building almost a new team. Only 10 letter men from a big squad of last year are back and these are light men.

The only comment of the Eagles' coach was that he "hoped to have a fair season with this year's team."

With the opening of the season set for Friday, the Eagles will play 9 games on their schedule. Three of these games will be played at night. The first home game and also the first night game of football between two high school teams of the Panhandle will be played at Buffalo Stadium on the night of September 19 when the Eagles meet Panhandle High.

The complete football schedule of the Eagles was announced by Coach Edgar Brady:

Sept. 11—Borger at Borger.
Sept. 19—Panhandle at Canyon. (Night game.)*
Sept. 25—Silverton at Canyon. (Night game.)*
Oct. 2—Happy at Happy.*
Oct. 9—Plainview at Plainview. (Night Game.)
Oct. 16—Tulia at Canyon.*
Oct. 24—Dimmitt at Dimmitt.*
Oct. 30—Floydada at Canyon.*
Nov. 6—Hereford at Hereford.*

*Conference games.

MEMBER TEXAS PRESS ASSOCIATION

Colonel E. O. Thompson, mayor of Amarillo, is to be congratulated upon his fight for lower utilities rates. He won lower rates from all utilities serving that city, including the telephone company. Col. Thompson is one of the most aggressive leaders of the Panhandle. Towns outside of Amarillo should realize, however, that they do not have the advantage of the big population which the metropolis of the plains offers in utility fights. The reduction in telephone rates was the biggest victory for Col. Thompson. This company is one of international magnitude, and usually does things its own way. At the same time Amarillo rates were reduced, other large town rates were reduced. The company has not announced its intention regarding the smaller towns of the state, but there is a decided sentiment that all rates should be reduced, regardless of the size of the town.

A public speaker stated the other day this is the greatest age in the world's history; that conditions such as the world is now going through, are absolutely necessary for the proper development of the human race. He is right. Coasting down hill is a fine thing, and lots of sport, but sometime or other the coaster has to get off and climb back up the grade. Conditions like these occur every few years. Each time we think they are the worst ever, simply because the world has been enjoying more luxuries than ever before, and it is hard to give up these luxuries and get down to necessities.

Governor Sterling withstood the demand on the part of the farmers for a special session of the legislature just as long as he could. Having asked for a public expression on the subject, he sure got it. Perhaps it was not good advice, which prompted him to call the special session. Maybe nothing good will result. But at any rate the farmers demanded the cotton session, and this will be the first time in history that a special session was called upon the demand of farmers. We are all hoping that some plan will be devised to help not only the cotton farmers, but the wheat farmers.

The starving millions of China will eat wheat from the United States. Whether or not this country ever gets any money for the wheat is beside the question. The United States lost billions of dollars in financing the world war, and there was never a murmur against the foolishness of war. Today, 13 years after the war closed, the world has come to the conclusion that the war was an expensive nightmare, and foolishness to the extreme. To sell China a few million dollars worth of wheat to save her starving peoples is better than wasting billions on war.

The East Texas oil field has been opened after the Railroad Commission has issued its orders on proration. Oil men are of the opinion that the order is a bad one for the oil industry, and are disappointed at the order. It developed during the recent hearing in Austin that the members of the commission seem to know very little about the oil business. It would have been better to establish a commission composed of men who understood the oil business, which is highly technical, rather than political.

A movement was started several months ago to elect Dr. J. A. Hill president of the Texas State Teachers Association. Culmination came in the resolutions adopted by the West Texas Teachers Association endorsing him for the position. Dr. Hill is recognized as one of the outstanding educators of the state. His election to head the state teachers would be a great honor and recognition of his ability, but likewise would be a good thing for the organization in securing his leadership.

A sales tax is being proposed for business by members of congress. Were it to take the place of the income tax, there might be some justice in it, but it will be in addition to the income tax. It would not be at all surprising to see the state impose a sales tax if the people vote in favor of releasing homesteads to the amount of $3,000 from state taxes. The fact that 96.5½ of those who go into the retail business eventually fail is not a very good argument for more taxes on the merchant.

We read with interest editorials and letters in the press advocating that the government issue more money. We don't know the least thing about high finances, but our observation is that a small number of people control the finances of every community, every state and every nation. If a man is a financial genius, he gets the money. If he is not a financial genius, he is broke regardless of the amount of money in circulation.

Although the weather man is not very complimentary, the football season is getting under way both at the high school and College. A little cooler weather would be greatly appreciated by the boys as they are chased over the lot by the coaches. The September sun is pouring down almost as hot as in July, and this is hard on the would-be stars. They will forget all this grief once the whistle blows for the first game.

"Hysteria is Mounting" is the heading of an editorial in last week's Floydada Hesperian, which ably describes the cotton situation in Texas. The farmers are in a panic, with one of the biggest cotton crops in the history of the state, and a 5 cent price, and no buyers. However, the cotton farmer has nothing on the wheat farmer who sold at 25 cents with no aid from the state.

With two splendid school systems in Canyon there is no excuse of any child or young person in the city not being in school this year. Perhaps in other years there was need for boys and girls quitting school to work. This year jobs are scarce and hard to get, and every young person should take advantage of the situation by going to school.

Our idea of a poor sport is going out to shoot a bunch of doves. The dove is the most innocent of all game.

NAGATA'S COMET

When Masana Nagata knocked off work as foreman of melon patch laborers near Brawley, Calif., on the evening of July 15, he was unknown outside of his own community. Today the name of Nagata is known throughout the scientific world, for that night he discovered a new comet which had escaped the eyes of all astronomers up to that time.

His discovery was made with a three-inch telescope and reported to the great Mt. Wilson Observatory, where the genuineness of his find was verified. The new celestial visitor has since been observed by many astronomers and its orbit has been computed. It is some 167 million miles away and is receding from the earth. It will never be close enough to be visible to the naked eye. It has been named Nagata's comet in honor of its discoverer, as is customary in such cases.

Nagata is a Japanese, 45 years old, who has been interested in astronomy since he was a child, but only during the last 10 years has he possessed a telescope with which to pursue his study of the heavens. His only instruction in astronomy was obtained through a correspondence school course, and he frankly admits that he is only an amateur.

He will continue to till the soil by day and watch the stars at night, but his name will be perpetuated by the wandering comet which his keen eye discovered after professional astronomers with the finest telescopes had overlooked it.

LOOKING FOR THINGS

Did you ever stop to think how much time we waste every day looking for things which have been misplaced? We misplace a letter or document and spend half an hour looking for it. Often several minutes are consumed in searching for a hat or pair of spectacles. Some frequently forget where they have parked the car.

This waste of time through lack of care in putting things in their proper places was called to our attention by a very timely article in a newspaper which has just come to our desk. It is such a fine article, so full of good common sense and practical advice, that we shall clip it out for our scrapbook at once.

Now where in the dickens did we put those scissors?

RUPTURE EXPERT HERE

C. F. Redlich, Minneapolis, Minn., will demonstrate without charge his unequaled method in Amarillo, Friday, Sept. 25, at the Herring Hotel, from 10 A. M. to 4 P. M. Please come early.

Mr. C. F. Redlich says:

"The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief and contract the opening in a remarkably short time.

The secret of their success is in their simplicity. An expertly adjusted device seals the opening without discomfort or detention from work. It is practically everlasting, sanitary, comfortable and actually holds ruptures which heretofore were considered uncontrollable.

Stomach troubles, backache and constipation, nearly always a consequence of rupture, promptly disappear.

Bring your children. According to statistics 95% recover by our method.

ATTENTION: You cannot fit yourself successfully with appliances sent by mail. It requires personal attention by an expert to obtain lasting results.

When your car won't start ..CALL US!

When a car won't start in the morning the reason is quite apt to be electrical trouble of some kind. It may be a loose cable or wire, a set of dirty breaker points, a run-down battery, or any one of a dozen or more things.

We have the equipment necessary to locate electrical troubles readily and to correct them at minimum cost to you. Our service car is always at your command.

MISS ELEANOR PIERLE HONORS PARENTS

Miss Eleanor Pierle honored her parents, Dr. and Mrs. C. A. Pierle, with a delightful affair in celebration of their wedding anniversary and her mothers' birthday anniversary, at the Pierle home, 1208 Fifth Avenue, Friday evening.

Flowers were lovely decorations in the rooms where tables were placed for bridge and forty-two. A pastel color scheme was developed in the tallies and score pads for the games, and in the delicious refreshment course served late in the evening.

During the refreshment hour, Dr. S. L. Ingham gave a violin solo, "Love's Old Sweet Song," accompanied by Mrs. Ingham on the piano.

Guests present were: Dr. and Mrs. Pierle, honorees; Dr. and Mrs. J. A. Hill, Mr. and Mrs. Oscar Gamble, Mr. and Mrs. J. L. Duflot, Dr. and Mrs. R. P. Jarrett, Mr. and Mrs. D. A. Shirley, Dr. and Mrs. Albert Barnett, Dr. and Mrs. S. L. Ingham, Mrs. Wallace R. Clark, Dr. Frank Darnall, Miss Willena May of Alpine, Texas, Misses Margaret and Ida Martha Pierla, Clinton D'Armond, and W. P. Parsons.

JUNIOR WOMAN'S CLUB TO MEET MONDAY AFTERNOON

The Junior Woman's club will meet Monday afternoon, September 14, at 3 o'clock in the club room at the court house. This is the first meeting of the year and every member is urgently requested to be present.

MRS. W. D. PIKE IS HOSTESS TO BLUUEBONNETS

Mrs. W. D. Pike of 1210 Seventh Avenue, was hostess to the members of the Blue Bonnet club last Thursday afternoon.

An enjoyable afternoon was spent in doing needlework and in conversation. A tasty refreshment course was served at the tea hour.

FIRST CHURCH OF CHRIST SCIENTIST

Services every Sunday at 11 and Wednesday at 8 p. m., when experiences, remarks and testimonies on Christian Science are given. Sunday school meets at 9:45. All under twenty years of age are invited to attend these classes. Subject for Sunday, "Substance."

A reading room is maintained in the church from three to five on Tuesdays, Thursdays and Saturdays excepting holidays, where the Bible and authorized Christian Science literature may be read, purchased or borrowed. The public is cordially invited to attend these services and to visit the reading room.

Dr. and Mrs. E. J. Cundiff returned Sunday from a vacation trip to Missouri.

WHO'S WHO IN THE YOUNGER SET

Photo by Ray V. Davis

FANNIE ALICE PIERCE

Miss Fannie Alice Pierce, the charming young lady above, gives promise of going into the opera when she grows up as she daily sings her dolls to sleep, and is also quite interested in learning to play the piano. Fannie Alice is 17 months old and is the daughter of Mr. and Mrs. F. A. Pierce of this city.

CHURCH OF CHRIST

If you are interested in studying and learning from the Book of Books and learning God's answer to the greatest question that arises in a human mind—"What Must I Do to Be Saved?" We earnestly and cordially invite you to attend the services at the Church of Christ. We have love for all and hatred for none.

Let us lay aside our opinions, ideas, think-sos, and prejudices and let the Lord's word be final: "If any man speak, let him speak as the oracle of God." The Bible is God's supreme authority to man and all should be guided by it. Our conscience, feelings and fickle opinions should be discarded: "Come Thou with us, we will do thee good."

Services for Sunday, September 15th, 1931:

Bible Study, 9:45 a. m.
Preaching (Road to the City), 11 a. m.
Communion, 11:45 a. m.
Young People, 7:15 p. m.
Preaching (The Blood), 8 p. m.
Communion, 8 p. m.
Everybody is friendly.

John O'Dowd,
Local Evangelist.

Miss Charline Wiseman and Miss Esther Downing returned Friday from spending the week in the home of Mr. and Mrs. Randolph Wiseman at Channing.

have a **Clear Skin–**

rich, red blood cells will help you

"I was determined to have a clear skin."

Of course you want a clear skin. Everybody does. It helps you win and hold friends. It makes for greater popularity.

Whatever treatment you may use for your complexion, remember the important fact that skin health depends upon the right number of red-blood-cells.

You cannot be low in strength and be happy —*let's be happy.*

For generations S.S.S. as a tonic has been helping people gain New Strength, better health and happiness. Its successful record of over 100 years in restoring strength and vitality to the blood surely warrants your giving it a good trial.

Why not start taking S.S.S. today?—the larger size represents a price saving.

MRS. RAY McREYNOLDS HOSTESS TO CLUB

Mrs. Ray McReynolds entertained the members of Las Senoras Nuevas club with eight tables of bridge at the home of Mrs. Grady Oldham, 1106 Fifth Avenue, Wednesday afternoon.

Vases of asters and roses formed an attractive background in the rooms where the guests were seated. A delicious salad course was served at the refreshment hour. Mrs. McReynolds was assisted in serving by Mrs. Guy Harp, Mrs. J. Madison Daugherty and Mrs. Oldham.

Seated were: Mrs. Hud Prichard, Mrs. Guy Harp, Mrs. Owen Williams, Mrs. Felix Neff, Mrs. Paul Zink, Mrs. Jack Boutwell, Mrs. J. Madison Daugherty, Mrs. Hubert Hartman, Mrs. Jim Rose, Mrs. C. L. Thompson, Mrs. Harry Woods, Mrs. Tom Knighton, Mrs. T. M. Moore, Mrs. Dan K Usery, Mrs. William Ash, Mrs. Burt Newlin, Mrs. Ray V. Davis, Mrs. G. A. Farlow, Mrs. D. A Shirley, Mrs. J. R. R. Moses, Mrs. Dan Sanders, Mrs. Bill Black, Mrs. Glen Costley, Mrs. Claude Moore, Mrs. Clyde McElroy, Mrs. N. E. McIntire, Mrs. Oscar Gamble, Mrs. C. N. Harrison, Mrs. Ray Campbell, Mrs. E. J. Cundiff, Mrs. C. R. Flesher, and Miss Myrtle Woodsin of Snyder, Texas.

CITY FEDERATION HOLDS FIRST MEETING WEDNESDAY

The City Federation of Women's clubs met Wednesday afternoon at 2 o'clock in the club rooms at the court house. This was the first meeting of the club year.

Mrs. C. M. Dowlen, retiring president, gave a brief talk recountng some of the outstanding accomplishments of the club during the past year. Mrs. Dowlen paid a glowing tribute to past presidents of the Federation and spoke warm words of congratulation for those elected to govern affairs during the next term.

Mrs. J. Madison Daugherty is president for the ensuing year. Mrs. Daugherty has been secretary of the Federation since its organization five years ago and is thoroughly conversant with the work of the club.

Mrs. C. M. Dowlen is vice-president; Mrs. Levi Cole, secretary, Mrs. Hubert O. Price, chairman of of publicity, Mrs. Chas Flesher, treasurer, and Mrs. W. C. Kunze, head of the Community Chest work.

The Federation meets once every three months. The next meeting will be the second Wednesday in December.

MISSIONARY STUDY AT M. E. CHURCH

The Methodist Missionary Society will meet next Tuesday afternoon at 3:00 o'clock at the church for the missionary study.

Mrs. A. W. Sternenberg is the leader.

Mrs. Hud Prichard had as her house guest the past week, her sister, Miss Myrtle Woodsin of Snyder, Texas. Miss Woodsin is teaching in the public schools at Dimmitt this term.

MISS GLADYS WATSON, BILL DISON ARE WED

It was announced this week that Miss Gladys Watson of Hale Center and Mr. Rosco (Bill) Dison of Canyon were married Thursday, August 27th at the home of Mrs. Ethel Black of Canyon. The Rev. C. E. Jameson officiated in the ring ceremony.

Mrs. Dison taught in the Hale Center schools last winter and was a student in the West Texas State Teachers College durng the summer term.

The groom is the son of Mr. and Mrs. Chas. Dison who live northeast of the city. He has been reared here and is well known to local residents. He also attended W. T. S. T. C. for several terms.

The couple left immediately following the ceremony for Lubbock where Mr. Dison expects to attend Texas Technological College this winter.

LOCAL NEWS

Miss Mae Simmons, who was a member of the summer faculty and the guest of Miss Jennie C. Ritchie left Monday for Bowling Green, Ohio, where she will teach in the Ohio State Teachers College. She was accompanied to Amarillo by her father, J. M. Simmons, who will visit for a short time at Memphis, Texas. He will return to Canyon about Sept. 23 to live.

M SYSTEM

Do You Overhaul These Machines Too?

The kitchen range, heaters and other Natural Gas burners are machines—machines that cook our food and keep us warm. Like the automobile, they will give us 100% service only when kept in repair and overhauled at least once a year.

The range may be spotless on the surface, but inside the burners dust particles have collected and perhaps rust has set in. All this retards the flow of gas and results in larger gas bills.

Summer time when gas is used less, is the best time to examine and repair gas burners in your home. If you wish, a trained service man will come to your home to inspect and adjust your appliances.

The Service Costs You Nothing.

LOCAL NEWS

Mrs. John Knight and Mrs. W. H. Heller returned Wednesday from Yates Center, Kansas, where they were called to the bedside of their brother, S. E. Robbins. Mr. Robbins was quite ill but is now reported on the road to recovery. He will be remembered by many of the old-timers in this section as he was the first postmaster in the city of Canyon. He resided here in 1889.

Mr. and Mrs. F. A. Pierce and daughter of Canyon, accompanied by Mr. and Mrs. S. L. Rushing and Miss Pauline Rushing of Floydada, returned Monday from a vacation trip to San Antonio and Corpus Christi.

EPISCOPAL CHURCH

There will be no services at the Episcopal church on the evenings of Sunday, Sept. 13, and Sunday, Sept. 20, as the Rev. E. E. Madeira is attending the General Convention at Denver.

MRS. J. D. PRICE WINS THIRD PLACE IN CONTEST

Word was received here this week that Mrs. J. D. Price of Plainview, formerly Miss Mattie Myers of this city, was the winner of third prize in the home beautiful contest on yards and lawns sponsored by the city of Plainview recently.

How Those Cash Boys Grow!—

In a store for $10 a week
She used to holler, "Cash."
But she waited on a millionaire
And made a dead swell mash.

And you can bet your lucky stars
Bright gems now she doth flash,
For she has not forgotten how
To stand and holler, "Cash."
—Phil H. Armstrong in the Florida Times-Union.

Storekeeper—"That's all right, madam. You needn't bring them back. Your word is just as good as the apples."—Syracuse Post-Standard.

Knitted Garments Continue in Favor

DESPITE CURRENT STYLE TREND, KNITTED SUITS CONTINUE TO BE POPULAR, WITH NEW AND MORE ATTRACTIVE VARIATIONS

BY HARRIET

PARIS may try to make the entire feminine world look like princesses and queens but one type of modern costume refuses to surrender its prestige. That is the knitted sweater suit.

For the college campus, for all sporting events, for a dozen or more daytime occasions the knitted outfit is ideal. Women who have been wearing sweater suits refuse to give them up, so the designers have capitulated and come forth with new and more attractive variations of the knitted costume.

Of light weight woolens, in good colors and made with trim, fitting lines these outfits have made a particular place for themselves in the American woman's wardrobe.

There are some innovations to be seen. Bright, rich colorings, often in combination, are used with surprising variety. The weaves are all soft and loose. Solid color yarns are shown woven into novelty patterns. Skirts are made with pleats for fullness. Generally the skirts are of solid color and darker than the blouse.

Can you wear such sweater frocks with the new Second Empire millinery?

Certainly you can. A green and white costume with striped blouse and solid color skirt sponsored by an exclusive Fifth Avenue shop was photographed with a jaunty Empress Josephine tricorne just to prove that the knitted mode has its place in 1931 fashions.

The green and white stripings are narrow on the sleeves and yoke and wider on the body of the blouse. There is a narrow belt, matching the skirt. The blouse buttons at the center front and has a slightly cowled back. The beige felt hat boasts a green feather ornament.

An entirely different type of knitted garment is the lace knit overblouse with lace collar and turn-down cuff. This blouse may be worn with either a light or dark skirt. It has a string belt tied in a bow with rather long ends.

Here are two interesting examples of knitted garments for autumn wear, as shown by Bonwit Teller, New York. Left is an imported knitted fabric in green and white, the sweater blouse buttoning in front and showing a slightly cowled back. At the right is a lacy knit over-blouse with a turnover collar and short cuffed sleeves of knit lace.

BOTH these sweater models are slip-overs but the coat blouse is also shown. The newest knitted coat blouses show novelty closing lines, collars or scarfs and ornamental effects achieved by buttons.

Some of them are deceptive and one must look twice before discovering they are knitted.

One original costume has a blouse with horizontal stripes of brown, red, beige, yellow and white. There are deep cuffs and a skirt of solid brown. Fringe in which all the colors of the blouse are combined trims the bottom of the sweater and the neckline.

If these colors seem a bit violent you might prefer a coat suit with a geometric design in red, white and green. The green predominates and makes the skirt. With this was worn a roll brim green felt with red and green feather novelty perched on one side.

Remember when you shop for a knitted suit that the tuxedo jacket, popular for so long, is now at the normal waistline in accord with the fall silhouette.

Another point to remember—if experience has not taught you—that perfect fit in the shoulders is a prime test in knitted garments. Shoulders should fit smoothly but not pull. Above all else they must not bag or droop. Watch your shoulder line and if it is correct your knitted frock will hang properly.

Fairview Breezes

A good rain would be welcomed by all even though it is almost too late for it to help the row crops much.

Mrs. W. M. Kinsey and Mrs. Homer Kinsey entertained a number of the girls, also married women with a slumber party Saturday night. The young ladies spent most of the night out in the open around a bonfire. Cheese sandwiches, apples, pop corn, ice tea, cake, ice cream and marshmallows were served at different times of the night. We enjoyed a sunrise breakfast which consisted of roasted weiners, pickles, light bread, coffee and chicken. Those present were: Mrs. J. W. Wesley, Mrs. Albert Legate and baby, Mrs. Elvin Wesley, Miss Inez Wesley, Miss Martha Sutton, Miss Annie Washburn, Miss Othell Wesley, and Miss Opal Sutton. All had a real nice time and left wishing for another slumber party soon.

School opened Monday, Sept. 7, with ten pupils. Mrs. Pinson of Canyon is teacher. We wish Mrs. Pinson luck throughout the term.

Mr. and Mrs. J. W. Wesley and daughters, Miss Othell and Mrs. Elvin Wesley, also Woodrow Wesley were callers in Amarillo Thursday.

Mr. and Mrs. Chas. Sutton were callers in Happy Tuesday.

Mrs. Albert Legate and baby spent last week visiting with Mrs. H. H. Sutton, Mrs. Belle Washburn, also Mrs. W. M. Kinsey.

Misses Annie Washburn and Othell Wesley will attend Happy High School this year.

A number from Fairview attended the rodeo at Canyon Sunday.

Miss Opal Sutton spent Tuesday evening with Mrs. W. M. and Mrs. H. M. Kinsey.

Mrs. Albert Wesley and baby spent Monday with her mother, Mrs. Belle Washburn.

NOTICE OF SHERIFF'S SALE

STATE OF TEXAS.

County of Randall.

By Virtue of an order of sale issued out of the Honorable District Court of Randall County, on the 10th day of September, 1931, by the Clerk thereof, in the case of M. L. Tucker versus J. P. Glover, Annie M. Glover, J. B. Linn and Foxworth-Galbraith Lumber Company, a corporation, No. 1294, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the First Tuesday in October, A. D. 1931, it being the 6th day of said month, before the Court House door of said Randall County, in the town of Canyon, Texas, the following described property, to-wit:

A tract of land in Randall County, Texas, described as being fifty-seven acres of land out of Section number Thirty-five, in Block number B-5, located by virtue of Certificate number 15-3557, H. & G. N. Ry. Co., described by metes and bounds as follows:

Beginning 561.6 varas west of the southeast corner of said Section No. 35, at a point in the south line of said section;

Thence north 468 vrs. to a point;

Thence west 108 vrs. to a point;

Thence north 244.8 vrs. to a point;

Thence east 108 vrs. to a point;

Thence north 273.6 vrs. to the south line of Chestnut Street;

Thence west with the south line of said Chestnut Street, 388.8 vrs;

Thence south 371 vrs. to the east line of railroad right of way;

Thence south 10 deg. 35' east 623.5 vrs. to a point in the south line of said Section 35;

Thence east with the south line of said Section 278 vrs. to the place of beginning.

Levied on as the property of J. P. Glover and Annie M. Glover, to satisfy a Judgment amounting to $2,570.10 in favor of M. L. Tucker, and cost of suit.

Given under my hand, this 10th day of September, 1931.

THE EAGLE'S TALE

VOLUME NO. 6 CANYON, TEXAS, SEPTEMBER 10, 1931. NUMBER 1

CACTUS CAL

Happy—pardon me—school days are here again. Once more maw inspects our ears and neck for signs of contamination and sends us to school for a head full of ultra-modern ideas.

Once again we will spend nine months dodging spit balls, moth balls, and art gum erasers and sundry other objects.

Teachers are a nuisance in school as they are always coming in just as some poor sap has been hit attempts to get even by returning the fire and reporting them to the executive of our "Plank of education" or detention.

What is detention? Detention is the place used and occupied in spare time by those unlucky saps who thought the teacher wasn't looking.

Help Keep Canyon Clean.

Donation By C. W. Warwick Appreciated

Clyde W. Warwick gave the library department of the high school a very interesting collection of books on the oil industries, highway construction, and history of Texas. This is the second collection donated by Mr. Warwick and his donations have been beneficial additions to the library. The books on oil will be interesting supplements to the science departments as they are the first of that nature to be in the library.

Mrs. Harvey Cash gave the High School department a large United States map. The size and arrangement of this map makes this a valuable addition to the history equipment.

ENROLLMENT

A 20 per cent increase in enrollment of the high school was noted this year. This brings the total up to 250.

A 12 per cent increase in the grade school was also gained. 441 students are enrolled there.

"Didn't you see me stick out my hand?" snapped the woman to the man who had just bumped into her new car.

"No, I didn't, Miss."

"Well, if it'd been my leg you'd have seen it," she replied and drove away.

Rastus' lawyer was telling him of his chances of obtaining a divorce.

"Mistuh Johnson, I has discovered that I can get yo' divorce on the grounds that yo' marriage ain't legal, on account of her father he had no license to carry a gun."

Canyon Eagles In Good Trim For First Game

The Canyon High School Eagles are in good trim for their first game of the season, Friday, with Borger. The Eagles have been in training a little over two weeks and are "raring" to travel to the Wildcats' home town for their first battle.

D. B. Pearson, last year's half back, will supplant Strain's former position, passing and kicking. Wayne Tucker and Clarence Wooten, also last year stars in the ball toting section, will be back again while Johnny Wilson and Red Harden will contest for the fourth place.

There are many men to be considered for line positions. At least three men are contesting for each position with the exception of center which is well taken care of by Wilford Taylor, another letter man. Several fast men are out for the end positions and since there are four letter men out for the positions of guard and tackle the prospects for a fighting line look good.

"Come out and help the Eagles win."

STAFF ORGANIZED

The Eagles' Tale Staff for the school year 1931-32 has been organized by Vincent Lockhart as editor-in-chief and Katye B. Lowe and Nan Johnson as associate editors. Most of the staff has been chosen but the club reporters remain to be elected.

This year the staff plans to organize a club and by earnest effort accomplish something that will be to their credit at the end of the year. Journalism is to be studied i nthe club, and any student interested in that subject is urged to join.

Visitor (in printing office)—"What is your rule for punctuating?"

The Apprentice (lately promoted to the case)—"I set as long as I can hold my breath and then put in a comma; when I yawn I put in a semicolon, and when I want a chew of tobacco I make a paragraph."

"Drink," said the Irish preacher, "is the greatest curse of the country. It makes you quarrel with your neighbors. It makes you shoot at your landlord. It makes you miss him."

Hereford High at Hereford, Nov. 6th.

Music Department Reorganized, Will Have School Band

With the return of Miss Addaline Strain to the music department of Canyon High, much in the way of music is expected.

Miss Strain states that she hopes to have everything musical that is possible.

"A band will be organized, and all persons interested are urged to join. Beginners are welcomed for we are here to teach them the use of the instruments. We also hope to have a grade school orchestra."

As soon as the students settled down to work a boys' quartet and a girls' glee club will be organized.

Earnest Effort Is Being Made To Reduce Fees

An effort is being made in both the elementary and high schools to meet the unsettled economic conditions of the country. A reduction has been made in both library fees and manual training fees. Library fees are reduced 50 per cent in high school and entirely eliminated in grade school. Manual training fees are cut 50 per cent, leaving them only $1.50 per semester.

Supt. Carruth is cutting the costs of supplementary materials in every way possible. Only a limited amount of such materials that are absolutely essential to adequate school work are being requested of students. Every student should apciate this effort and return this favor by giving their whole hearted cooperation to Supt. Carruth and his faculty the coming school year.

"Is your brother wealthy?"

"He's worth a thousand dollars in Texas."

"How come?"

"That's what the sheriff offered for him, dead or alive.

HAPPY VACUUM

Heck—"So you don't care for the talkies."

Peck—"No, the thing I liked about the silent films was seeing women open their mouths and not have a word reach my ear."—Boston Transcript.

C. H. S. Faculty Has Four New Members, '31-'32

The Canyon High School faculty has four new members this term.

Miss Lois Goodrich from the grade school comes over for English and physical education classes.

Doris Lynn Loudder, a graduate of W. T. S. T. C. takes charge of the public speaking department.

Addaline Strain from Amarillo is now in charge of the public school music work.

Miss Merle of Plainview enters the history department.

FISH! FISH! FISH!

Green fish are certainly not lacking in this year's crop of students. Monday morning, mixed with the now proud Sophomores, they filled the corridors of Canyon Hi. Everything was so enticingly new the feeling of ignorance was nearly overcome. High School teachers popping questions as to your parents birth date, disappointments, ambitions, and morals were slightly perplexing, but fish such as Canyon High has this year were certainly not to be daunted by such difficulties as these. The method of getting the books all at once and not one by each teacher in turn was certainly a novel experience and the new freedom was rather interesting. Here's to the fish, their present ignorance, and all they have to learn. Any school couldn't exist without them.

Deacon Wilcox of this city left today for a short business trip to Chicago. The local church, of which he is deacon, will hold prayer services tonight.

Little Girl—"Oh mama, look at that man sitting on the sidewalk talking out loud to a banana peel."

C. H. S. Library Reorganized and Enlarged

The library department of the High School has been completely revised. It has been placed in the south end of the big study hall, giving the study period pupils easy excess to it and providing an extra class room by using the old library room as such.

Miss Mattie Jordan, high school librarian assisted by Miss Tennessee Malone, W. T. S. T. C. librarian, has catalogued every book and plans to install a new checking out system this term.

Quite a few new additions have been made to the library recently.

PRIMROSE PATH

"Don't you know that the stuff you're drinking is slow poison?" warned the wife.

"That's all right," replied the bibulous husband. "I'm in no hurry." — Woman's Home Companion.

"Hello," called the feminine voice over the phone. "Is this the Humane Society?"

"Yes, ma'am," answered the man in charge.

"Well, there's a gas man sitting out here in a tree teasing my dog."

EDITORIAL

A Senior of Canyon High! Who wouldn't be thrilled at such a classification? There's enough there for a thrill. The Senior year always has more and bigger prospects for fun, gain and freedom than any other year of high school life. The goal of three years is so near, the rewards of your work are so definitely near. A senior year is often made or ruined by class cooperation. A cooperative, agreeing class can make every Senior put that year down in red letters on his calendar.

Canyon High has prospects for that kind of a class, although their high school career they have kept class affairs well attended to. What about it, Seniors, is this year going to be a success or not? It's up to you.

Wayside Items.

Still hot and dry. Vegetation is failing for want of moisture. Some grazing feed crops, some cutting, others think not worth saving.

Some are irrigating gardens, thereby saving some vegetables.

Rev. J. A. Lindley and wife from Tulia were with us Sunday. A good sermon in the morning. For want of proper lights, only a short service at night. He was given a pounding Sunday night.

Rev. Lindley and wife, Floyd Adams and wife, Annette, Polly and Mackie Allgood were dinner guests with Mrs. Henry Harrell Sunday.

Quite a number of Waysiders attended the rodeo at Gordon Cummings Ranch Sunday and Monday. Brown Byrd and family, J. C. Payne and family, J. E. McGehee and wife were Sunday visitors; Monday, W. C. McGehee, wife and Aline and Dick, Mrs. Bessie Lane and Mrs. Macie Stockett.

W. R. Franklin, wife, Fannie May and Glen spent Saturday night with Mrs. I. C. Jenkins in Canyon. Took dinner Sunday with Mr. and Mrs. Herbert Franklin, visiting a number of relatives in the afternoon.

J. C. Payne and family returned Thursday from a ten days visit in Kansas.

Public school opened at Wayside Monday with H. H. Hartrick as principal, Miss Douglass as intermediate teacher, and Mrs. Neva Hartrick, primary grades teacher. About 45 pupils enrolled the first day. We bespeak the cooperation of all with the teachers for a successful school.

Roland Moore, Billy Doane, Ivan and Sara Beth McGehee, Joyce Lane and Roy Stockett, all living near Wayside entered school at Happy Monday. Roland Moore owns and drives the car.

Irving Lane entered school at Canyon Monday.

Wilson Items

School has begun with more enthusiasm than ever before even though just eight pupils are enrolled.

Improvements made since last year are the building succoed, new floor, and a piano of which we are especially proud.

Mr. and Mrs. C. W. Garrett and family have moved to Amarillo following the closing of activities at Bivins Lake for the winter.

Mrs. Otto Skarke has been quite ill but is improving.

Rev. and Mrs. John O'Dowd and baby daughter, visited in the P. L. Hancock home Sunday.

Mr. and Mrs. C. Beckman and Mrs. Jack McBroom were visitors of Mr. and Mrs. Joe Tucek recently.

Mr. and Mrs. John Brandt and children spent Sunday afternoon with Mr. and Mrs. L. Stewart.

Mr. O. M. Dalton of Wildorado was visiting in the community one day last week.

Mr. and Mrs. Joe Tucek transacted business in Amarillo Monday.

Lloyd Buchanan is driving a new Durant.

Misses Ruth and Anna Frank are attending school in Canyon this year.

Egbert Neelley is a new pupil in our school.

Patrons who have visited the school this week are, Mr. and Mrs. John Brandt, Mrs. Geo. M. Wilmoth, Mrs. L. Hoffman, and Mrs. P. L. Hancock.

Mr. and Mrs. P. L. Hancock, their daughter Vernell, and Mrs. Ingram were in Amarillo one day recently.

Sunny Hill

School opened Monday with an enrollment of 35. Several of the patrons were present and some of them made talks that were greatly appreciated. The organization of a Parent-Teachers' Association was discussed. The time decided upon for the election of officers is Friday night of this week. All who are interested in the welfare of the school and community are invited to be present. It is hoped that such an organization will be perfected as will interest not only those who have children in school, but also every citizen of the community.

Piano and expression are being taught at the school this year by Miss Margaret Benge of Canyon. Those interested in these courses for their children may see her at the school.

Misses Alma and Zora Sykes, student and graduate nurses, have just returned to Dallas after having visited for about two weeks in the home of their parents, Mr. and Mrs. J. T. Sykes.

Mrs. Mollie Williams of Tulsa, Oklahoma, who is enroute to Kansas City, is now visiting the family of Mr. and Mrs. Sykes.

HERE FROM CHICAGO

Wm. Dohe, Mrs. Dohe, and their son of Chicago, and John Kobberman, of Lincoln, Kansas, were here this week looking after Mr. Dohe's land south of the city. They state that it is dry and hot all over the Southwest. Mr. Dohe has visited the county several times in the past few years.

Patronize Prairie Advertisers.

BONDS FOR SALE

The City Commission of the City of Canyon, Texas, will receive bids for the sale of $18,000.00 of its Waterworks Bonds, on October 1st, 1931, at 7:15 P. M., at the City Hall of said City. Said Bonds are dated August 10, 1931, and are due serially one to eighteen years from date, bearing 5% interest per annum, payable semi-annually, except first year's interest payable one year from date of Bonds, at the Central Hanover Bank & Trust Company, New York, N. Y. Each bid must be accompanied by a certified check for $500.00 payable to R. A. Bellah, Mayor. The Commission reserves the right to reject any and all bids.

BY ORDER OF THE CITY COMMISSION.

SHERIFF'S SALE

THE STATE OF TEXAS,
County of Randall.

WHEREAS, By Virtue of an order of sale, issued out of the District Court of Randall County, Texas, on a judgment rendered in said Court on the 15th day of August, A. D. 1931, in favor of Panhandle Construction Company, and against S. G. Umbarger, and the heirs and legal representatives of the said S. G. Umbarger, whose names are unknown, No. 1269, on the Docket of said Court, and to me, as sheriff, directed and delivered, I did, on the 7th day of September, A. D. 1931, at 5 o'clock, P. M., levy upon the followng described tracts and parcels of land situated in Randall County, Texas, and belonging to S. G. Umbarger and the heirs and legal representatives of the said S. G. Umbarger, whose names are unknown, to-wit:

Lot Twelve (12), Block Fifty-seven (57), Original Plat of Canyon City, in Randall County,

on the 6th day of October, A. D. 1931, being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M. on said day, at the Court House door of Randall County, Texas, in the town of Canyon, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said S. G. Umbarger and the heirs and legal representatives of the said S. G. Umbarger, whose names are unknown, in and to said property.

WITNESS MY HAND, this the 7th day of September, A. D. 1931.

JOHN FRY, Sheriff,
25t3 of Randall County, Texas.

The People's Store

So The People May Know!

A Resolution Passed by the City Commission of Hereford, Texas August 8, 1931

RESOLUTION

WHEREAS, at the time our local electric plant was acquired by Texas Utilities Company in the early part of 1925, the citizens of Hereford were paying on a schedule of rates for electric service which was much higher than the rates charged by Texas Utilities Company in Hereford today; The rate for lighting was 61% higher; the rate for power was 62% higher, and as a further comparison, current was sold in Hereford during July 1925 at an average rate of 80% higher than in July 1931. The remarkably low rate enjoyed by Hereford citizens today is the result of repeated reductions in the various classes of service, which have been made by Texas Utilities Company since it acquired our local plant. In addition to making these rate reductions, the Company has also greatly improved the service. Our local plant was very much limited in capacity and could not afford the city and its citizens any of the advantages they now enjoy in having an unlimited supply of dependable electric service at the reasonable rates furnished by Texas Utilities Company from large inter-connected modern generating plants over the transmission network.

WHEREAS, on this date said Texas Utilities Company, through Hon. I. R. Kelso and other representatives of said Company, has made known to the governing body and citizens of Hereford its decision, as a voluntary action on its part, and as a donation to said City and the taxpayers, effective as of August 1st, 1931, and for a period of one year thereafter, to reduce the cost of the street lighting in said City to one-half the cost prevailing on and prior to said date, and has further taken voluntary action reducing the rate for its service to our schools, which is a reduction of approximately 75% over the 1930 charges; and,

WHEREAS, said Texas Utilities Company has further, this date, agreed with the governing body and citizens of Hereford, as a separate and distinct matter, and in no way connected with said street lighting, to reduce the cost to the City of pumping the City's water supply, so that the said pumping rate shall be and is hereafter fixed at two cents (2c) per kilowatt hour, but with the proviso and understanding that in the event the Legislature of Texas or any other lawful taxing power of authority shall impose any tax on or affecting said service, increasing the cost of furnishing same, such tax shall be added to and become a part of said rate and paid by said City; and,

WHEREAS, the action of said Texas Utilities Company in the matters aforesaid effects a great saving financially to our city, schools, and taxpayers, the saving in street lighting amounting to $1,522.50 a year, and the saving in water pumping, based on 1930 consumption, being $808.28, and the saving to the schools, based on 1930 consumption, being $291.77, all aggregating $2,622.55, and in addition thereto said Texas Utilities Company is one of our largest taxpayers, its current taxes to our city and school district being $1,462.50; and, this is the tenth substantial reduction made by said Company within the past six years; and,

WHEREAS, said Texas Utilities Company has heretofore from time to time reduced its rates in the City of Hereford, each and every reduction having been made voluntarily by said Company; and,

WHEREAS, the aforesaid action by said Company is fully appreciated by the City of Hereford and the citizens thereof, and is convincing to all of said Company's generous spirit of helpfulness to the Community and of its willingness to serve the community at the lowest possible cost to do its full part freely and voluntarily to lessen the financial burden of its patrons, and at considerable financial loss, during the time of financial and industrial depression; and,

WHEREAS, we wish to say that in our opinion if all the Utilities serving the people of the State of Texas, maintained the same generous and helpful attitude towards the Communities served by them as has always been maintained by the Texas Utilities Company, there would be no demand or need for any kind of State regulation, and we wish to express to the public and to said Texas Utilities Company and to its President, Judge I. R. Kelso, and to its other officials and representatives our appreciation for its generous attitude and spirit of helpfulness; therefore,

BE IT RESOLVED, by the City of Hereford, acting by and through its governing body and Committee of Citizens, in meeting this day held at the City Hall in the City of Hereford, that we do hereby express to the said Texas Utilities Company, and to Hon. I. R. Kelso and other officers, agents and representatives of said Company, our sincere appreciation of its and their kindly attitude of cooperation, generosity, fair treatment and efficient service it now renders and has at all times rendered, and that we, as citizens, taxpayers, business men and officials do hereby pledge to our governing body, to said Texas Utilities Company, and to each other our friendly and mutual cooperation in working out, on an efficient and economical basis, all problems that effect and concern our mutual interests.

BE IT FURTHER RESOLVED, that a copy of this resolution be delivered to Hon. I. R. Kelso, as the President and Representative of said Texas Utilities Company; and a copy hereof also delivered to the Mayor and Governing Body of the City of Hereford, and a copy delivered to the Board of Trustees of the Hereford Independent School District, and a copy delivered to the Hereford Chamber of Commerce.

Executed at Hereford, Texas, this the 8th day of August, A. D. 1931, by the undersigned Committee of Citizens of Hereford, in a meeting at the City Hall.

G. A. F. PARKER
R. E. KESSIE
W. B. PHILLIPS
EARL W. WILSON
GEO. L. POPE
E. S. IRELAND
C. B. WILLIAMS
C. H. DYER
GEO. L. MUSE
A. H. STREU

Unanimously adopted, passed and ratified by the Mayor and City Council of the City of Hereford, Texas, this the 8th day of August, 1931.

ATTEST:

C. R. BOYD,
City Secretary, City of Hereford.

E. S. IRELAND,
Mayor.

NOTE: The above committee represents the following business and professions in Hereford, Texas:

E. S. Ireland, Mayor.
C. B. Williams, President First State Bank.
C. H. Dyer, City Commissioner.
Geo. L. Muse, President First National Bank.
A. H. Streu, Merchant, Streu Hardware Company, and Pres. School Board.
R. E. Kessie, Editor and Manager, "The Hereford Brand," local newspaper.
W. B. Phillips, County Commissioner.
Earl W. Wilson, County Judge.
G. A. F. Parker, Banker.
Geo. L. Pope, Secretary Chamber of Commerce.

Football

(Continued from first page)

believes that a good line of freshmen will be available, but under the new conference rules cannot be used this year on the first team.

The first game of the season will be played on the night of Sept. 18th at Buffalo Park. Panhandle A. & M. of Goodwell, Okla., will be here for this game.

The following men are here: Otis Burk, end, from Ralls; Leo Cooper, guard, Lockney; Robert Clark, halfback, Turkey; Bill McLendon, center, Clovis, N. M.; Howard Williams, fullback, Canyon; Frank McInnis, halfback, Wellington; Lawrence Brotherton, halfback, Lockney; Geo. Manning, tackle, Ralls; Raymon Powell, halfback, Wellington.

Reserves from last year's team, who will bid for positions this year are: Lloyd Devin, guard, Tulia; Glen Daugherty, half, Olton; Clyde Keith, halfback, Ralls; Joe Fortenberry, end, Happy; R. T. McDaniel, halfback, Canyon; Ronald Woolever, guard, Slaton; Leonard Britt, half, Canyon; L. A. Stowe, end, Lockney.

D. J. Phillips and Jack Spence of Lockney are two men coming up from the freshman team that give every promise of making real hands. They did not enter school in time last fall to be eligible. Spence is a backfied man, while Phillips is a lineman. Each of these lads kicks the beam up at 190 and is full of the stuff that football men are made of.

Rufus Dodgen of Groom, a reserve center from last year, and Guy Richards of Ralls, a reserve quarterback, are expected to join the squad any day.

Library

(Continued from first page)

Elizabeth. Music was at that time universally cultivated, each tradeeven that of the beggars—having its special songs, and madrigals being sung on all sorts of occasions from dawn until midnight.

It is pointed out that when this form was being developed, the author of the lyric was seldom known, only the name of the composer of the madrigal appearing with the music. Modern madrigals differ in this particular and the madrigals which have won prizes of the Chicago Club are of interest to students of poetry as well as to musicians.

The West Texas State Teachers College has had a Madrigal Club for many years, and the possession of the library will give an opportunity to expand and become increasingly important among musical organizations of this section of the State. It is conducted by Wallace R. Clark, who is head of the music department, and who is said by Mr. Clippinger to be one of the best authorities on madrigals in the United States.

CARD OF THANKS

We take this means of expressing our grateful thanks to the people of Canyon who so kindly ministered to the family of our brother and sister, Mr. and Mrs. G. W. Johnson, in their recent bereavement. Such acts of kindness, the words, the deeds, and the flowers, will never be forgotten, and may God's blessing rest on each one.

Mother Banister and Nora, of Crowell
Mr. and Mrs. H. C. Roark of Crowell.

METHODIST CHURCH

Bro. L. N. Lipscomb, presiding elder of the Amarillo District, will preach at the Methodist church Sunday morning at the 11 o'clock hour. Rev. Jameson is conducting a revival at Quitaque.

Hill Named

(Continued from first page)

ductor, and W. E. Lockhart, Secretary and Treasurer, and the Executive Committee for their efficient management of this institute, and for the selection of the most competent talent for instructors and lecturers; to the West Texas State Teachers College and President Hill, the Canyon Chamber of Commerce, and the Panhandle Plains Historical Society for courtesies shown to us during our stay; to Messrs. Henderson, Crabb, and Lee, and Mrs. Cora M. Martin and Miss Gene Alford for their excellent services as instructors and lecturers.

6. That we are in need for the coming two years of a man of outstanding educational qualifications to head our State Teachers Association. That Dr. J. A. Hill, due to his long and excellent service in the field of education, to his outstanding ability as a writer and educator is the man Texas needs most for the place, and that we endorse wholeheartedly Dr. Hill's candidacy for the presidency of the State Teachers Association.

7. That we endorse a change of control in issuing teachers certificates from the Legislature to the State Board of Education, and urge that certification standards be raised in an effort to protect the legitimate teacher.

8. That we endorse a change in the basis of allotting State moneys to the schools from the present system to the more progressive allotment based on a per-capita-average daily attendance teacher basis.

9. That we go on record as endorsing a teacher retirement system following the program laid out by the United States Civil Service.

10. That we realize the burden on the public in the present economic distress, and in view of the unprecedented crisis that confronts our state and nation, we unanimously and wholeheartedly rededicate ourselves to the welfare of the children and the schools of Northwest Texas, and pledge the public and the best service which we are capable of rendering.

11. That copies of these resolutions be offered the papers for publication.

(Signed)
G. C. Boswell, McLean
W. H. Younger, Tulia
R. B. Fisher, Pampa.
M. V. Williams, Miami.

Hales Will Show Holstein Herd at Tri-State Fair

The famous Holstein herd of H. B. Hales and Sons of Randall county will be exhibited at the Tri-State Fair in Amarillo, September 21-26, Mr. Hales states.

This herd has made a place for itself in the cattle shows of West Texas. It has won first prizes over other herds at both the Tri-State Fair and the Panhandle-Plains Dairy Show for the past several years.

In this herd is the Holstein cow, Mount Riga Hendricksjie ...o. 1291833, which holds the state breed record for 2 year old cows. She was placed on test at the age of 2 years, 16 days and produced 629.8 pounds of butterfat from 16,588.3 pounds of milk in 365 days. This was an increase of 115 pounds of butterfat over previous records. As a heifer she was first in her class and Junior Champion at both the Panhandle-Plains Dairy Show and the Amarillo Tri-State Fair in 1929. She was also first in her class at both shows in 1930 and the first in her class at the dairy show in 1931.

Mr. Hales was one of the high 10 men in the Master Dairy Farmer Contest of the Amarillo News-Globe in 1929 and 1930. He was not in competition in the contest this year.

CHAS. GREEN IS NEW CHECKER AT M SYSTEM

Chas. Green of Tucumcari arrived Monday and assumed his duties as checker at the M System store. Mr. Green is a former resident of Canyon and is a brother of Golden Green, former manager of the local store.

Mrs. Green and baby arrived the first of the week.

STORK SPECIAL

A son was born Sept. 4th at Oklahoma City to Mr. and Mrs. Custer Service.

Rent Text Books Offered Extension Students

The West Texas State Teachers College took its third step toward putting bright spots in the depression last week when a policy was inaugurated which gives students taking courses by correspondence an opportunity to rent text and reference books for a small fee, thus saving several dollars on each course. The College Book Store will handle the books under the rental plan.

A month ago the college decided to go to the book rental plan on the campus in an effort to save money for the students.

Later it was decided to allow students who wish only music to enroll for it without becoming regular students of the college, and to allow them to pay either half or full fee and receive one or two lessons per week accordingly.

A budget has been worked out by President J. A. Hill under which a student may attend college, take part in college life and have all necessities for less than one hundred dollars for three months.

CARD OF THANKS

We wish to express our sincere appreciation for the many kindnesses, words of comfort and the beautiful floral offerings tendered us during our grief over the going away of our son, brother, and sweetheart, dear Wayne. May God's richest blessings rest upon you.

Mr. and Mrs. G. W. Johnson and family
Mr. and Mrs. Warren Johnson
Marjorie Jane White.

"Homestead Beets Pontiac Piebo," prize-winning bull at the Bucks county fair, Quakertown, Pa., is proudly exhibited above by Chief White Eagle. The bull, owned by H. E. Robertson of York, Pa., is two years old and weighs one ton.

Funeral Held For R. Wayne Johnson

The funeral services for Robert Wayne Johnson were held Friday afternoon at 3:00 o'clock at the Baptist church, conducted by Rev. C. G. Howard. Wayne was killed Tuesday in Arizona when the family car was hit by a truck. In the car were Mrs. G. W. Johnson, the mother, Waldo and Helen Johnson and Howard Williams. Howard was driving at the time, just having taken the wheel a few minuttes previously. He saw a truck coming at a high rate of speed, driving in the middle of the concrete. Howard swerved the car off the pavement, but the rear of the car was hit by the truck, which was driven by three Greeks, who are now under arrest.

Wayne was a star of the Buffalo football team, and many of his teammates attended the funeral service.

W. T. EX-STUDENTS ON INSTITUTE PROGRAM

Two West Texas State Teachers College ex-students appeared on the program of the Collingsworth County Teachers' Institute held in Wellington, Sept. 3 and 4. Miss Minnie Allen, who will be remembered as one of Miss Richardson's "Rest Cottage" girls, outlined the "Minimum Requirements in the Teaching of Spelling and Writing in the First Grade" for the primary sectional meeting.

Miss Dorothy Gore, a junior in W. T., gave a thirty minute talk in the upper-intermediate section on the subject, "Material of Instruction for Sixth Grade Geography and How to Use Them." Miss Gore is beginning her second year in her teaching position in Collingsworth County.

RECEIVED DEGREES FROM UNIVERSITY OF TEXAS

Mr. and Mrs. Lee Johnson and son returned Saturday from Austin where they have been attending the Univeristy of Texas. Mrs. Johnson received her Masters degree in June, and Mr. Johnson received his M. A. degree at the end of the summer session.

Mr. Johnson is manager of the College Bookstore at the College.

CARD OF THANKS

We wish to thank all the good friends who were so kind during our bereavement and for the beautiful flowers.
